

## ALCON CLOSES FIRST TRANCHE OF PRIVATE PLACEMENT

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR  
DISSEMINATION IN THE UNITED STATES

**Vancouver, BC – July 8, 2025 – Alcon Silver Corp.** (the “Company” or “Alcon”) is pleased to announce that it has closed the first tranche of a non-brokered private placement consisting of 1,475,000 common shares at a price of \$0.20 per share for gross proceeds of \$295,000. The common shares were issued pursuant to prospectus exemptions to subscribers in Canada as well as various international jurisdictions. The Company intends to complete a second tranche of the private placement shortly.

The Company will use the net proceeds raised to pay fees and taxes to sustain its Princesa property located in Peru, as well as for general working capital purposes.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any applicable state securities laws, and may not be offered or sold to or for the account or benefit of persons in the “United States” or “U.S. persons” (as such terms are defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws, or an exemption from such registration is available.

*This news release contains “forward-looking statements” within the meaning of Canadian securities legislation. Such forward-looking statements concern, without limitation: the completion of a second tranche of a private placement and the anticipated use of proceeds from the first tranche. Such forward-looking statements or information are based on a number of assumptions, which may prove to be incorrect. Assumptions have been made regarding, among other things: conditions in general economic and financial markets; timing and amount of capital expenditures; future operating costs; and the Company’s ability to obtain positive results from anticipated exploration. The actual results could differ materially from those anticipated in these forward-looking statements as a result of risk factors, including the timing results of exploration activities; environmental and other regulatory risks; project costs overruns or unanticipated costs and expenses; availability of funds; market prices; and general market and industry conditions. Forward-looking statements are based on the expectations and opinions of the Company’s management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date the statements were made. The Company undertakes no obligation to update or revise any forward-looking statements included in this news release if these beliefs, estimates and opinions or other circumstances should change, except as otherwise required by applicable law.*
